

## A word from our president

### The studio

#### Decorating workshops

**18 July at 6.45pm working with coloured slip in layers.** This will be a workshop presented by Liz Izquierdo who has put together a series of examples. Should be very informative.

Email or text Rachael  
- [rach.busymum@gmail.com](mailto:rach.busymum@gmail.com),  
- 0418 749 999

This is a fun and informative series with an opportunity for those members who cannot get there during the day.

Let Rachael know if you have any other decorating ideas you would like to learn together.

There is a notice on the white board in the studio with times and more information on upcoming workshops.

#### Old work on shelves

There is a collection of work on both the drying shelves and fired work shelves.

The old work on the drying shelves can, and will be recycled in the near future, if not claimed.

Fired work - bisque and glazed - needs to be collected and paid for soon

### SWELL Bus Trip

The bus is booked!

The trip will be on 18 September - meeting at Sherwood at 9am for a 9.30 departure. As usual we need 12 participants at \$30 a head. We bring along lunch to share. Let us know soon if interested!

### Redcliffe Potters' Exhibition

The Redcliffe Pottery Group is holding their annual exhibition from 16 July to 11 August. There is a bus tentatively booked for 30/31 July to visit the exhibition and their studio; along with Vend Marketplace and the Confectionery Warehouse - INTERESTED?

### The old kiln for sale

We agreed on a starting price of \$700 including a Harco controller. No furniture (ie. no shelves or props) included.

It was functioning perfectly up until it was decommissioned. We were quoted \$1100 for a new set of elements. There is some corrosion on the door as would be expected but the bricks are in good condition.

And a reminder it is 3 phase.  
Convert to gas or single phase?!

### Our Annual Exhibition

Our Exhibition will be held on the weekend of 19 to 20 October 2019 at the Richard Randall Studio in the Mt Coot-tha Botanical Gardens. Set-up as usual on the Friday 18 October. Note the correct dates.

Now is the time to consider what you will be working toward - showcase your best work!

The time is getting closer - how is your work going?

### Library exhibitions

All of October at the Fairfield Library.

We have also been approached by the Corinda Library to see if we may be interested in showing there as well sometime.

*Cheers, David*
