

## A word from our president

**Hi all,**

The year is March-ing on and Western Suburbs Clayworkers are marching ever forward. Things are happening all around. We had our visit to Judy's studio and we thank her for the opportunity to view her workspace as well as the diverse selection of ceramic artwork she has collected. Val enthralled us with her drawing workshop. Drawing is such an integral part of most people's ceramic practice. Thanks Val, I've already adopted a few of your tips. Some of us go together at the Makers gallery to see the two shows that opened there last Saturday.

Coming up we'll trial a new type of workshop. Within a 10 minute timeframe demonstrators will show a specific decorating technique to the group. Please get in touch if you are willing to show a technique you are familiar with so we can get this happening soon. "The more the merrier" as they say. It's a great opportunity to hone your skills as a demonstrator.

The large kiln appears to be firing fine. The two bisques seemed to go through without a hitch. Air-conditioning will be coming to the studio. Not sure when this will take place but that should have been our last summer of sweltering in the shed.

The first raku firing is bearing down on us, as is the chance to visit or participate in the upcoming BVAC Pop-up Shop which is just before Mother's Day.

On a more formal note, if your membership is in arrears and you want to continue with WSC please get your payment and membership form in as soon as possible. This will be the final newsletter sent out to those that don't. If you have paid but haven't filled in a membership form, please submit one of these too. We need these each year to keep our records up to date.

*Anthony.*

## Judy's Gallery and Studio

On Thursday 23 February, 2017 we had the pleasure of visiting Judy Hamilton's home and studio.

Judy's home works like a gallery with her personal collection of, mostly, ceramic pieces artfully dotted around the house both inside and in the garden. No mistaking an artist's residence.

**Australian Woodfire Ceramics Conference**  
**Smoke on the Water 2017**  
 Cooroy, Sunshine Coast, Queensland  
 June 28 - July 1, 2017

The Australian Woodfire Ceramics Conference, Smoke on the Water 2017, is an international event for woodfired and other ceramic arts.

Under balmy Sunshine Coast skies, help celebrate the triennial gathering of the tribe, its stalwarts and newcomers. Come and enjoy a progressive potters' party and conference, hosted by an energetic team of Queensland wood fires and the Ceramic Centre for Excellence, featuring clay, music, food and fire.

There will be big fires and small fires, presentations and a party or two. Featured artists will be from the new wave of woodfireds as well as exhibition events honouring the first wave woodfireds.

The program will range over presentations to panel discussions, artist projects, demonstrations, PECHA KUCHA talks, makers' space, firings in the hills, minigama and small kilns, exhibitions and networking opportunities.

Pre-conference events will offer hands on, one on one experiences with invited guest artists.

The venues include the woodfire kilns in the Cooroy Bell Creek valley and the iconic Cooroy Butter Factory Arts Centre and surrounding precincts in the charming Cooroy township.

Next door is Noosa, famous for its natural landscape, arts, surf culture - an international holiday destination. Make your own holiday.

Organisers will take no responsibility for when the party begins and ends.
