Around the studio

The kiln room is operating again!

The extractor fan has been deemed safe for now but we are still looking at replacing it with a more efficient one.

The old SEI kiln looks to be sold and will be going soon.

The new Tetlow kiln will be here in a month or so - only built to order which takes a minimum of 10 weeks.

Workshops for 2026

Next Raku will be 9 August

Have your pieces ready. Hopefully we'll get some stunning effects.

Redcliffe Potters have a new Raku kiln. See the spectacular photos on page 2.

Mould making with Kirstin Farr 25 July

A 'watch and learn' gathering: Kirstin will introduce participants to the technical aspects of creating moulds as well as fun ways to use them.

There are still some spaces left - cost is \$40 - bring your camera and note book!

BVAC

The BAVC Open Weekend that was due to be on 1-2 August has unfortunately been cancelled.

**The next Pop-Up will be
November 6 to 8.**

WSC at BVAC - June 2026

Held in the Auditorium at the Mt Coot-tha Botanical Gardens

We had 8 members at the June BVAC Pop-Up. The number of participant groups was down but there was a steady stream of visitors - not quite the crowds we used to get. The next one is in November. Being closer to Xmas may be more popular!

Local Hero Award

Congratulations to one of our volunteers, David, who was recently presented with a local hero award for service to the community.

David has been a volunteer at Sherwood for 17 years and on the board of the Sherwood Neighbourhood Centre for 7 years.
